

CWSBL701 TOUCHLESS CAR WASH LIFT

Features

- ✓ Smart rotate arm & high-pressure spray of types of washing liquid.
- ✓ Integrated intelligent Liquid proportioning system.
- ✓ Unassisted slide rail suspension system.
- ✓ Self-developed embedded fast drying system.
- ✓ Smart 3-dimensional detection system.
- ✓ Digital acoustic safety alarm system.
- ✓ Fault self-checking system.

	Item	Parameter
Size	Washable car dimensions(L*W*H)	5.5x2.2x2 m
	Equipment room (L*W*H)	3.6x1.3x1.8 m
	Machine dimensions (L*W*H)	8x3.64x3.3 m
	Installation space (L*W*H)	8 .2x3.84x3.5 m
	Rail Length	8m
Technical	Power supply requirements	AC380V 50Hz 3ph
	Air supply requirements	0.6'0.8M Pa
	Water pump pressure	7-12 MPa
	Water pump power	18kw
	Fan power	22kw(4x5.5kw)
	Power	25kw
	Single carwash time	3 min./car(Standard) ; 5 min./car(Refined)
	Single vehicle consumption of washing fluid	65m l/car
	Single vehicle consumption of water wax	55m l/car
	Electricity consumption per single car wash	0.85 degrees/car
	Water consumption per car wash	140L/ car (adjustable)

	Item	Parameter
Function Configuration	Auto proportional car wash solution	Standard
	Auto proportional water wax	Standard
	Auto proportional colorful car wash solution (3types)	Standard
	Auto tyre & chassis flushing	Standard
	Control system	10"touch screen
	Car wash quantity statistics	Standard
	Fault self-diagnosis	Standard
	Anti freeze draining	Standard
	Phase loss power-off protection	Standard
	Embedded air drying	Standard
	Intelligent 3D detection	Standard
	Width detection	Standard
	Intelligent parking guidance	LED indicator light+Voice prompt
	Remote control	Standard
	Wheel hub brushing	Optional
	Non-powered sliding track suspension system:	Standard
	Stored value card payment	Optional
	Water tank (customer-provided) specifications	2tons
Air compressor (customer-provided) specifications	3kw, 360L, 0.8MPa	
Car wash Procedure	Standard wash (factory customizable process)	Pre-wash—>Foam-High-pressure flushing—Drying
	Fine care wash (factory customizable process)	Pre-wash-->Foam-->High-pressure flushing—*Waterwax
