

## Features

- ✓ Smart rotate arm & high-pressure spray of types of washing liquid.
- ✓ Integrated intelligent Liquid proportioning system.
- ✓ Unassisted slide rail suspension system.
- ✓ Self-developed embedded fast drying system.
- ✓ Smart 3-dimensional detection system.
- ✓ Digital acoustic safety alarm system.
- ✓ Fault self-checking system.

	Item	Parameter
<b>Size</b>	Washable car dimensions(L*W*H)	5.5x2.2x2 m
	Equipment room (L*W*H)	3.6x1.3x1.8 m
	Machine dimensions (L*W*H)	6.3x3.35x3 m
	Installation space (L*W*H)	7.361x3.5x3.15 m
	Rail Length	6m
<b>Technical</b>	Power supply requirements	AC380V 50Hz 3ph
	Air supply requirements	0.6'0.8M Pa
	Water pump pressure	7-12M Pa
	Water pump power	15kw
	Fan power	16kw(4x4kw)
	Power	18kw
	Single carwash time	3min./car(Standard) ; 5min./car(Refined)
	Single vehicle consumption of washing fluid	45mL/car
	Single vehicle consumption of water wax	40m 1/ca r
	Electricity consumption per single car wash	0.7 degrees/car
	Water consumption per car wash	120 [/ca r (adjustable)

	Item	Parameter
<b>Function Configuration</b>	Auto proportional car wash solution	Standard
	Auto proportional water wax	Standard
	Auto proportional colorful car wash solution (3types)	N/A
	Auto tyre & chassis flushing	Standard
	Control system	7' touch screen
	Car wash quantity statistics	Standard
	Fault self-diagnosis	Standard
	Anti freeze draining	Optional
	Phase loss power-off protection	Standard
	Embedded air drying	Standard
	Intelligent 3D detection	Standard
	Width detection	N/A
	Intelligent parking guidance	LED indicator light
	Remote control	Standard
	Wheel hub brushing	Optional
	Non-powered sliding track suspension system:	N/A
	Stored value card payment	Optional
	Water tank (customer-provided) specifications	>1ton
	Air compressor (customer-provided) specifications	2kW,120L,O.5M Pa
<b>Car wash Procedure</b>	Standard wash (factory customizable process)	Pre-wash—>Foam—>High-pressure fLushing—>Drying
	Fine care wash (factory customizable process)	Pre-wash-->Foam-->High-pressure flushing—> Waterwax
